Where are you going to today
And how can I trail behind?
Is it a place where I can stay,
'Cause I'm dying to know you're ming.
Oh, I want to know.
The water is shallow
And then it gets deep
To a point I no longer can touch with my feet.
To the d
eep end is where we'll begin
We'll get down on the bottom and come up again.
I want to go.
(Chorus)
The ebb and the flow,
the yin and the yang,
Salt and pepper,
It's all just a game.
I'm cuttin' you loose,
settin' you free.
Hopin' the space will
,
bring you to me.
'Cause the one thing I can't get enough of
Is your company.
The ice will melt and the drops will drop
Into my open hands
The tighter I squeeze the less that I get
I'm just tryin' to understand
oh...I wanna know
(Chorus)
It'
s a push and pull
It's like a dance
It's the ocean against the sand.
Your undertow is pullin' me in
'Cause the tide is too high to swim.
Oh, but I gotta go
(Chorus)
