"Not Ready To Go"

Visit "[Not Ready To Go](#)" on MotoLyrics.com

It's never ending, as far as I know

But there's a doubt you feel, between us both

You're grounded daily, I'm on a cloud

I float up every night, as you come down

I'm not ready to go

Are you unhappy, or are you low?

I should be leaving but I'm not ready to go

I'm not ready to go

Even if you think I'm crazy, drunk, and stoned

I don't wanna be messed up alone

There's nothing wrong here

There's nothing wrong here

There's nothing wrong here

There's nothing wrong....

I'm not ready to go
