Some called Him a prophet

Some called Him a Saint

Some couldn't believe their eyes or the words He had  
to say

Some called Him crazy

Some thought He was strange

But I have felt His touch and I'll never be the same

CHORUS:

I call Him love

I call Him mercy

I called Him out of my darkness and pain and He  
answered my need

I call Him love

I call Him healing

He is the One who has filled me with hope and restored  
life to me

I call Him love

Some call Him a mystery

A power without a face

Some feel He's a distant Father that they cannot  
embrace

But I have felt His touch and I'll never be the same

CHORUS

Cause He reached out to me

I'm overwhelmed by the grace I have received

CHORUS 2x
