1)

Ooo I'm feelin' good

Oh so good

Don't you ruin it tonight, tonight

It's been so long since I don't know when

Ooo treat me, treat me, treat me right

Don't be like sheep and follow the flock

Show me you really want to be mine

(Repeat 1)

Come on, come on

I know you can do it

Come on, come on

There ain't nothing to it

Come on, come on

I know you believe me

Come on, come on

You can see the real me

Every day, every day

I need you, I want you

Come a little closer to my face

Oh little girl

I need you now
