Cold and frosty morning there's not a lot to say  
About the things caught in my mind  
And as the day was dawning my plane flew away  
With all the things caught in my mind

I don't wanna be there when you're ...  
Coming down  
I don't wanna be there when you hit the ground

So dont go away, say what you say  
Say that you'll stay  
Forever and a day ... In the time of my life  
Cos I need more time, yes I need more time just to  
make things right

Damn my situation and the games I have to play  
With all the things caught in my mind  
Damn my education I can't find the words to say  
With all the things caught in my mind

Me and you whats going on?  
All we seem to know is how to show  
The feelings that are wrong
