Hallelujah! We gon let 'em know that in Jesus Christ  
(Ain't nothing impossible, Ain't nothing impossible)  
we can do anything (with Christ.) Let's go. (Let's go.)

Hey Christians, we break the unbreakable, take the  
untakeable, shake the unshakeable,  
move the unmoveable, prove the unproveable, groove  
the ungrooveable.

We gotta call to reach the unreachable, preach the  
upreachable, think the unthinkable,  
sing the unsingable, stop the unstoppable.  
With Christ in my life, ain't nothing impossible.

I'm Christ's ambassador, and I don't take no for an  
answera  
So try to catch take this when I mess at yuh, ain't  
nothing I can't do with Christ as my mastera  
You ain't got Christ that's why he chose me instead of  
ya, that's why I stood ahead of ya  
It's a metahpor  
Faith's more than someone can see, I can move big  
mountains every time I breathe  
Right up G, but I'm a born in Christ and I can do  
anything 'cuz holding Christ  
And my moves unpredictable, I take hold my jacket, I  
hit the bullet, and I split the bull  
But look, it's possible, with Christ by my side there's  
lots to do  
So that's a be the one thing, cuz you don't know what I  
contain. Let's go, go!

Ayo, ayo, ayo, ayo (Ain't nothing impossible, ain't  
nothing impossible with Christ) Yo!  
Ayo, ayo, ayo, ayo (Ain't nothing impossible, ain't  
nothing impossible with Christ) Yo!

Christ is a stone to use that will knock the life, use a  
head that locks the lines  
So unmoveable, something like a block of line, and  
inbeatable of dropping giants, yo  
So, when you come with a million scores that have

godly, that's likely to keep the yards  
And with the one I can freeze the novas, give me light  
to see, so and them crushing hold is on  
Enough faith so I can face my fears enough love to  
erase my tears  
Break shame, and chase pains, and when it takes is  
prayer, move the rain to my weight disclared, yo  
So, what I speak to be, trying to hold them demons  
feels, put you heal on the new disease  
Cast mountains into seas by the power that he's  
invested in me (Let's go!)

Hey Christians, we break the unbreakable, take the  
untakeable, shake the unshakeable,  
move the unmoveable, prove the unproveable, groove  
the ungrooveable.  
We gotta call to reach the unreachable, preach the  
upreachable, think the unthinkable,  
sing the unsingable, stop the unstoppable.  
With Christ in my life, ain't nothing impossible.

Time to be quick here, time to be nimble, all God's  
people, time to assemble  
Moving outside us rock to a jingle, if you gotta a  
chorus, make it and sing up  
If it is so un-be-live-ab-le, what is real or con-ceiv-able  
Christ makes all things per-ceiv-ab-le, those with faith it  
is feas-ib-le  
Faith a hears the spiritual, spiritual over physical  
burning  
But this ain't mys-ti-cal, this is our God of mir-a-cles  
Don't talk to me about im-poss-ible  
When it comes to spreading the Gos-a-pel  
The Gospel fails to be pow-er-ful, so in him I am im-  
pos-si-ble

Ayo, ayo, ayo, ayo (Ain't nothing impossible, ain't  
nothing impossible with Christ)  
Ayo, ayo, ayo, ayo (Ain't nothing impossible, ain't  
nothing impossible with Christ) Yo!

Hey Christians, we break the unbreakable, take the  
untakeable, shake the unshakeable,  
move the unmoveable, prove the unproveable, groove  
the ungrooveable.  
We gotta call to reach the unreachable, preach the  
upreachable, think the unthinkable,  
sing the unsingable, stop the unstoppable.  
With Christ in my life, ain't nothing impossible.

Ayo, ayo, ayo, ayo

Ayo, ayo, ayo, ayo  
Ayo, ayo, ayo, ayo  
Ayo, ayo, ayo, ayo
