So I fell in a trap with no getback

they threw away the key and now I'm a OG

In the County jail rappin & bangin' at the same time

and since I don't smoke cigarettes loc

shit I gotta slang mine

And I ain't tryin' to get on swole so I ain't fuckin' with
the iron

I got bitches bringin' me money & ain't a godamn thing

[Steady Mobb'n]

There's ten laws to the game nigga be raised by 'em all
Get ya respect on at all times nigga hustle 'til ya ball
watch them hatas and pretendas and all the shit they
do
cause nowadays some of these niggas be bitches too
Keep the business professional get ya heat at all times
keep them snitches on the sideline
cause you know pressure burst the pipeline
Keep ya eyes on ya enemies watch those close to ya
See them outside niggas can't touch ya
it be the ones inside that do ya
Smilin' in ya face but want to take yo' place
fuck around and be playa let's make a deal with the
D.A.
Don't be ridin' with no niggas
who ain't sure if he gon' get down
cause it only take a split second
to get ya buck buck and lay down
Hesitation'll buy ya fate get that ass all caught up
ya little homey might be cool
if them other two priors ain't brought up
Remember took time to kill smash and don't give a fuck
Be a hog about ya papers straight hungry for that der
come up
Respect the game feel what the soldier talkin' about
If you got to be in that game stack ya change
and get the fuck out!
