Bounce, bounce, bounce, bounce

When the sun's going down, do you hear what I hear?
Turn the music right up, get the superstar feeling
I'm in love with the sound, it's the beat that I need
Doesn't matter your sign, just the way that you're
feeling

Bounce, bounce, magic's on the floor baby
Bounce, bounce, spinning to the rhythm
Bounce, bounce, the look is in your eyes
Join me for tonight and let the music take you over

Take you over, bounce, bounce

DJ's playing the sound, wanna turn up the strobe
At our party tonight, there'll be happy smiling faces
Don't you try to pretend that it's all in your head
We'll be dancing all night, so come on a join the party

Bounce, bounce, magic's on the floor baby
Bounce, bounce, spinning to the rhythm
Bounce, bounce, the look is in your eyes
Join me for tonight and let the music take you over

Bounce, bounce, magic's on the floor baby
Bounce, bounce, spinning to the rhythm
Bounce, bounce, the look is in your eyes
Join me for tonight and let the music take you over

Call your friends, we're gonna have some fun (have
some fun)
Hair and make-up, invite everyone (everyone)
There'll be laughter, so lets spread the word (spread
the word)
We'll be dancing round the whole wide world

Bounce, bounce, magic's on the floor baby
Magic's on the floor, baby
Bounce, bounce, magic's on the floor baby
Hey baby, (hey baby) hey baby! (hey baby)

Bounce, bounce, magic's on the floor baby
Bounce, bounce, spinning to the rhythm
Bounce, bounce, the look is in your eyes
Join me for tonight and let the music take you over

Bounce, bounce
Bounce, bounce

Bounce, bounce, the look is in your eyes
Join me for tonight and get the superstar feeling
