Looking for a way
When I struggle through the day
(Oh so slowly)
Nothing going right
When I know it should be fine
(Oh yeah)
When I'm feeling down
And my friends are not around
(I'm not sorry)
I can find a way to seek a better day

Dreams come true whenever you can see
Dreams come true and set me free
Dreams come true and let me fly
Dreams come true and I'm feeling fine

Sitting by the phone
When I don't want time alone
(Slowly, slowly)
Wonder what I'll see
When I wish for what could be
(What I'll see)
When my friends are down
And I need to be around
(I'll be there)
I can find a way to seek a better day

A way to find a better day
Just close your eyes and dream a dream today

Dreams come true whenever you can see
Dreams come true and set me free
Dreams come true and let me fly
Dreams come true and I'm feeling fine
Dreams come true whenever you can see
Dreams come true and set me free
Dreams come true and let me fly
Dreams come true and I'm feeling fine

Dreaming to see a better place ahead
Think about the way I need to see my fate

Dreams come true whenever you can see
Dreams come true and set me free
Dreams come true and let me fly
Dreams come true and I'm feeling fine
Dreams come true whenever you can see
Dreams come true and set me free
Dreams come true and let me fly
Dreams come true and I'm feeling fine
Feeling fine, feeling fine
