Oh, Oh, I love you  
Oh, Oh, I love you  
I do, I do

Oh, Oh, I love you  
Oh, Oh, I love you  
I do, I do

But I told him why we just can't make it  
I want you still but just can't take it  
The time has come we oughta break it  
Someone has to pay the price

Oh, Oh, It's over  
Oh, Oh, It's over  
It's true, It's true

Oh, Oh, It's over  
Oh, Oh, It's over  
It's true, It's true

And I think of times we were together  
As time went on it seemed forever  
The times have changed, now things are better  
Someone had to pay the price

And I think of times we were together  
As time went on it seemed forever  
The times have changed, now things are better

Someone had to pay the price
