They hit the lights, we hear the roaring of the crowd
And we stand, mics in hand

Can hardly wait til we can blast you with our sound
We're gonna rock, And we won't stop

Yeah!
Rock chicks rule
Now forever more
We're the ones to see yeah
Out and a-rockin
Gonna take no prisoners
On our way to the top
We're gonna make you rock

We can wait no longer and we rush out on the stage
To play for you, Our favorite crew

The band begins, hands in the air and we start to sing
Yeah that's right, We're gonna rock all night

Yeah!
Rock chicks rule
Now forever more
We're the ones to see yeah
Out and a-rockin
Gonna take no prisoners
On our way to the top
We're gonna make you rock

Rock chicks rule
Now forever more
We're the ones to see yeah
Out and a-rockin
Gonna take no prisoners
On our way to the top

Yeah yeah yeah yah
Rock chicks rule
Now forever more
We're the ones to see yeah

Out and a-rockin
Gonna take no prisoners
On our way to the top
We're gonna make you rock
