I've been thinking of our times together  
Memories so fine  
I've been dreamin' of a summer heaven  
Now I'm lost in time

You're on my mind (mind)  
You're on my mind  
On my mind (mind)  
You're on my mind

I've been walking down lanes and streets  
Searching for new friends to meet  
Somehow I keep searching back for you

I've been dreamin' of a destination  
Only found in my imagination  
A destination made for me and you

You're on my mind (mind)  
You're on my mind  
On my mind (mind)  
You're on my mind

You're on my mind  
You're on my mind  
On my mind  
You're on my mind
