Early morning, show me the way, turn to face a bad
new day.

I can't make this work, as hard as I try, man I knew it
could be so hard

To say goodbye, goodbye, goodbye !

I got to get up now, wake up now, move on now and
through.

I don't know where I'm going to but I can't keep loving
you

To let now, to say now what I'm going through.

I don't know what I'm gonna do but I just can't keep on
loving you.

It was beautiful for so long, was it me or do things just
go wrong ?

Now I will do when it's hurting me further, guess it's
time to let go

Of one another, one another, oh.

I got to get up now, wake up now, move on now and
through.

I don't know where I'm going to but I can't keep loving
you

To let now, to say now what I'm going through

I don't know what I'm gonna do but I just can't keep on
loving you.

Lalala lalala, lalala lalala, lalala.

I got to get up now, wake up now, move on now and
through.

I don't know where I'm going to but I can't keep loving
you

To let now, to say now what I'm going through

I don't know what I'm gonna do but I just can't keep on
loving you.

Houhou, yeah hey, oh

I don't know but I just can't keep on loving you.
