(Steve Booker/Sophie Delila)

I may not be the first to know, I guess that's how this
kind of story goes
I looked to everything in every way and it's always I'm
facing tomorrow
There is nothing I can say, I kept on pushing you away.
It's like I prone it on down on myself but I can't turn to
no one else
I'm on my own...

Oh, yeah, you get what you ask for, what you wish for
Doesn't matter if you're wrong or right
But you're fine when you get there, but you don't care
Don't you know that's the nature of the crime ?

You know I always took for granted, getting all I ever
wanted
You were always there to please me, it was so easy, it's
how it all ended
I know it's unforgivable, but you're the winner after all.
And I know deep inside, I can prompt but I can hide.

Oh, oh, yeah, you get what you ask for, what you wish
for
Doesn't matter if you're wrong or right..
But you're fine when you get there, but you don't care
Don't you know that's the nature of the crime ?

Oh oh oh oh, oh oh oh oh, oh oh oh oh, oh oh oh oh.

Oh, oh, yeah, you get what you ask for, what you wish
for
Doesn't matter if you're wrong or right..
But you're fine when you get there, but you don't care
Don't you know that's the nature of the crime ?
You get what you ask for, what you wish for
Doesn't matter if you're wrong or right..
But you're fine when you get there
But you don't care (oh, you don't care)
Don't you know that's the nature of the crime ?
