Garden streets to nowhere,
balcony views
hilltop house with a narrow hall filled with drugs and
booze

bus lets off at the city square and our youthfulness
exudes

I'm gonna bite the bullet
until i see,
we're all just young fools

Chorus

but i want to Bring back the days, bring back the waves
bring back the days so i can live them all over again

Verse

Our dollars spent on nothing,
car rentals and candy bars I would,
waste my time
to look upon
the big ol' stars

My weekend starts on Tuesday and I'm gonna hold my
breath until then
I'm gonna waste the hours just building a house of
cards
on the waters edge

Chorus

Bring back the days,
bring back the waves

bring back the days
so i can live them all over again

Bridge

Oooh oooh I said everything is gonna be ok

ooooh ooooh just as long as i can remember the days

but i want to Bring back the days, bring back the waves

bring back the days so i can live them all over again
