I wanna roll on a jeep wanna smoke me a blunt
I wanna get fucked up
Wanna smoke (2x)
Wanna choke (2x)
Wanna get fucked up

I'm rollin up so many blunts man
I'm smokin and chokin them
Back to back
Come on and blink
I knew I just think
I'm havin another aink attack
I like to smoke so much weed
It's a need
I gotta have bud in my system black
Laid back
With a ack
And a sac of indo in my Cadillac
So bill
Leather chill
Leather post
With the ho's
Man I'm so high
I feel like I'm about to float up
In the clouds and touch the sky
The chronic has got me so dazed
It's amazing
I wanna smoke until I pass out
Get the mask out
And let me hit it until this chronic knocks my ass out
I'm gunna crash out
And sleep until mornin I'm yawnin
So what can I say man
For a day man
I don't think that I can even go without smokin hate man
So pass me a swisher
And let me spit the middle and fill it with weed
And lick and light it and chief it
And pass it around to my crew cause I know that you
need
Red rum niggas smoke bud by the pound and it's all

good
In the hood
We chillin and cheifin
Hangin out in the broken wood
My nigga I figure I need more weed
Some of that good choke
I'm fiendin and dreamin about that chronic I wanna
smoke

2X

I wanna roll on a jeep wanna smoke me a blunt
I wanna get fucked up
Wanna smoke (2x)
Wanna choke (2x)
Wanna get fucked up

I'm smokin and chokin on blunts
Everyday
Cause psycho acts that way
The chicken is makin me wicked and paranoid
Have gatta have that hay
Comin up out of the ground
It's by the pound
And huffin to get so high
Pull out my papers
And end of the papers
And sit back to let my brain fry
Puffin on ses
Now it's in my chest
My nigga and I for that coughin and choke
Blow me a gun
Unless it's a bum
My nigga lets fill our bodies with smoke
I'm falling in love
I'm full of that bud
Cause we's in that party and get so woke
I lit up that nine
Cause it by the time
We reefin around to get fucked up
Let's grab us some brew
Now this what we do
We slingin and bangin up on the main strip
I'm getting so high
I cannot deny
I'm startin to thinkin some crazy shit
We rollin so clean
I'm hearing sirens
A nigga like me is so paranoid
I roll down the window
And let out the indo
Those wicked ass the cops
We tryin to avoid

Keep rollin up weed
You know is a need
My nigga I'm fond of that Mary Jane
Cause it's the most wanted
And I'm goin to stay bunted
And turn off the light
I'm goin insane
Keep rollin up swishers
They filled with that reefer
And don't let this dope
Get in your ride
I meant to decide
My nigga cause you know that I wanna smoke

2X
I wanna roll on a jeep wanna smoke me a blunt
I wanna get fucked up
Wanna smoke (2x)
Wanna choke (2x)
Wanna get fucked up
