**[Verse 1]**

My gators walk through shake joint doors  
And I wear em' when I stomp these broke ass hoes  
I stepped on stage, silk shirt and a fade  
All the bitches gay and a pimp got paid  
Fuck snake skin cause that shit cheap  
I keeps the motherfuckin' gators on my feet  
Milano's, sell em' just over a grand  
With pimp stick in hand, I'ma take command  
My gators and me close as can be  
We done pimped plenty hoes, my gators and me  
We ride around together, mackin' forever  
And we ain't fucked up if we caught in bad weather

**[Hook]**

My gators  
Wha-what-what-what-wha  
My gators  
Wha-what-what-what-wha  
My gators  
Wha-what-what-what-wha  
My gators  
Wha-what-what-what-wha

**[Verse 2]**

My gators stompin' on all ho tracks  
Bitch ya step on my foot and ya might get smacked  
With no shoe strings in em' I did not with em'  
My bitch bought em' for me with the tags still in em'  
I like to sport em' that's why the ho bought em'  
A nigga tried to get me and I fucked around and  
caught em'  
Put a whoppin' with that heat, left him layin' in the street  
Silk pants on my legs and my gators on my feet  
I should've wrote his ass off but I let the nigga slide  
Wiped the blood off my gators and jumped back in my  
ride  
I stay pimp sharp, ain't barrin' you traitors  
I keep it P.I. and I stay away from haters

**[Hook]**

[Verse 3]

Now me and my gators do the craziest shit  
We known for hittin' clubs tryin' to pimp on a bitch  
We stay away from niggas who perpetrate  
And I take my ho from state to state  
I travel along gravel, dirt roads, or streets  
I wear em' through rain, hail, snow, or sleet  
I stomp through doors everywhere I go  
When a ho see them gators she already know

[Hook]

[Verse 4]

Now the gators I possess, my nigga they rare  
Last time I checked I had fifteen pair  
I sport the all black ones when it's time to chill  
And the big block rings when it's time to get ill  
Got a pair that I wear when I'm takin' a cruise  
When bitches see em' then they automatically choose  
My gators and they all look brand new  
I stay fresh, match up with a silk or two  
I got the two-toned gators and they black and white  
The ones I like to wear when I rock the mic  
I graduated from the pimp university  
HBO took the game and put it on TV  
My gators are seen on the big screen  
I got hoes in Hollywood if ya know what I mean  
I started from the bottom, you suckers ain't got em'  
And don't be a hater if ya niggas can't cop em'
