I'll dream of tales and rhymes
In visionary dream
This precious moment of my life
Holds me excited

I will fly away
To reach the heights I've ever dreamed
Beneath the sun
No sense of time and space

Anticipation of your light
Holds me excited

Clouds containing lakes
And near the haze of burning light
I feel upraised

Sailin' through my story
Sharin' my history
Sailin' through my story
Sharin' my history

Ha... haha hahaha...

Sailin' through my story
Sharin' my history
Sailin' through my story
Sharin' my history

This precious moment of my life
Holds me excited
The meditation of my dreams
Holds me delighted

I will fly away
To reach the happiness I've dreamed
Beneath the sun

Sailin' through my story
Sharin' my history
Sailin' through my story

Sharin' my history

Sailin' through my story

Sharin' my history
