You're the one for me  
You're the one for me (You're the one for me)  
You're the one for me  
You're the one for me (You're the one for me)

Busta Rhymes and SWV  
Puff Daddy Remix one time blowin your mind  
(And you don't stop)  
(Remix)

[SWV]  
I know that you are someone elses guy  
But these feelings that I have for you I can't deny  
She doesn't treat you the way you want her to  
So come on, stop fronting  
I wanna get with you

What your girl don't know won't hurt her  
Anything to make this love go further  
You're the one

You're the one for me  
When in need (You can call on me)  
When in love (That's all I want us to be)  
But you're the one  
You're the one for me

This can be an undercover romance  
Cause I feel that I'm the kind of girl you should give a  
chance  
Taste an see (Taste and see)  
How good it can be (How good it can be)  
Cause you don't have to worry baby

What your girl don't know won't hurt her  
Anything to make this love go further  
You're the one

You're the one for me  
When in need (You can call on me)  
When in love (That's all I want us to be)

But you're the one  
You're the one for me  
You're the one for me  
When in need (You can call on me)  
When in love (That's all I want us to be)  
But you're the one  
You're the one for me

What's my chance  
I'm willing to do anything to you  
In your hands  
You don't have to worry at all  
Say a thing, and if she finds out  
I don't know nothing  
(Check it out)

[Busta Rhymes]  
Yo, and if you ain't the bangest chick I ever saw  
Ya, Ya, Ya, Ya, Ya  
From the ceiling to the floor  
I look from top to bottom  
Analyse the middle of your little cleavage and your  
drawers  
Everything remains raw baby  
I love the way you strut  
When you walk by got a wide angle lens focused on  
your butt  
Perplex your looks make me black and polish  
Caramel, city, stacking bone now I'm walking tippy toe-  
ish  
Amazing Leanne got my heart pumping  
Whole entire body cocked on diesel like we running  
track or something  
I knew that you were the one for me  
Word is bond on Flipmode and SWV  
Got the oppurtunity  
To see how sutible and beautiful you can be  
when you do your nails and your cuticles  
Just stay sharp lord, word on my son  
Let it manifest for sure that you're the one

You're the one for me  
When in need (You can call on me)  
When in love (That's all I want us to be)  
But you're the one  
You're the one for me  
You're the one for me  
When in need (You can call on me)  
When in love (That's all I want us to be)  
But you're the one  
You're the one for me

You're the one for me  
You can call on me  
That's all I want us to be  
But you're the one  
You're the one for me
