Let's walk around blind, It'll be more fun that way At least that's what he told me yesterday Oh I need you, but I'm lying anyway Oh I need you, you lied to me everyday

Chorus:

I don't wanna hear you talk
About the things we could share
I don't wanna hear you speak
About the way you never cared
It's not like I hate you,
But I'm getting there
It's not like I hate you
But I'm getting there

Let's walk around blind,
And pretend everything is fine
But not like what happened yesterday
Oh I need you, but I'd rather hear you say
Oh I need you, you can lie to me any day
I just can't take this anymore

Woah oh, woah oh, woah oh (x7)

Piano

Woah oh (x5)
