I see you holdin' on to the past and you're squeezin' it  
Every broken piece of your heart and you're bleeding it  
Like shattered glass in the palm of your hand  
You hold tight to a dear old friend  
Well he ain't a friend  
And I say

Ooh, let it go  
Give it up, lay it down  
Ooh, let it be, so love can come around  
Ain't no thing, set it free  
Can't you see there were thorns on that crown  
So lay it down

I know that she was your world  
Yeah that girl was your everything  
And I know when she left how it felt  
Like she took all your breath away  
I agree it's the hardest thing you'll ever have to do  
Oh, but you got to  
And I say

Ooh, let it go  
Give it up, lay it down  
Ooh, let it be, so love can come around  
Ain't no thing, set it free  
Can't you see there were thorns on that crown  
Oh, so lay it down

I can see the light at the end of tomorrow  
The sun is shining bright there  
There's a light without this darken hollow,  
All this pain and sorrow.  
I believe it's at your finger tips  
If you can just move on

Ooh, let it go  
Give it up, lay it down  
Ooh, let it be, so love can come around  
Ain't no thing, set it free  
Can't you see there were thorns on that crown

So lay it down

Lay it down
