Yeah!!

Hello?

Did you hear about her?

Yeah she's a bad girl now!

Taking drugs

Getting high all night

What?!

She's walking down the aisle?!!

G.O.S.S.I.P.

Gossip queen

G.O.S.S.I.P.

Gossip queen

Gossip queen

Hell yeah I'm the gossip queen

If you hate me

You are satan's child!

And If you don't love me for all the gossip I spread

Just too bad cos there ain't no stopping now!

G.O.S.S.I.P.

Gossip queen

Gossip queen

G.O.S.S.I.P.
