No I can't give up
Not right now
Though I feel so jaded next to you
You made me crawl on my knees
To hold you, have you in my arms

Is this life?
Is this good?
This is hell my darling
Yeah that's right
Can't you see all I need?
Is to leave you
Leave you in their arms

Aah..

Don't lose it
Tell me baby
Your thoughtless words
Kept me up all night
You're plastic
I'm leaving..
Leaving you...

All the words
Talk talk talking
They split my life
In their heads
I never never never satisfy
And be the girl they wanted in their lives..

Is this life?
Is this good?
This is hell my darling
Yeah that's right
Can't you see all I need?
Is to leave you
Leave you in their arms

Aah..

Don't lose it
Tell me baby
Your thoughtless words
Kept me up all night
You're plastic
I'm leaving..
Leaving you...

Now I'm ready to give up...
