I'm tired of waiting  
Anticipating... yeah  
Too many times I've done this before

The heat is eating  
What I've been saving... yeah  
Can I just kiss goodbye and shut the door???

It's ok (x2)  
Everything's alright  
All we need is to stay another night  
All I want (x2)  
Is to go home  
I want to go home

It's too late for things to happen yesterday  
It's too late to try to find the words to say  
Yeah...

Thanks for the message  
But I've got it too late... oh  
Oh I recall the many times before

Hard to go on living  
With this shit I'm dealing  
If time heals all wounds, why am I still bleeding???
