Intro:

Who needs your saving???

Chorus:

Who needs your saving (saving)???

Raise your hands now!

Verse 1:

Like all

Like all cowards you lie

And kill the friends in between

They're gone now

You pushed away... how?

They are gone now

You pushed away... how?

Chorus

Verse 2:

And so...

And so the fairy tale goes

With 'once upon a time'

With a happy end

Yeah once upon a time

You wish there is no end

There is no happy end

Chorus

Bridge:

Who needs your saving?

Solo

Chorus til end
