Woah, Jesus gave me water, Jesus gave me water
Jesus gave me water, I wanna let His praises swell
Jesus gave me water, Jesus gave me water
Jesus gave me water and it was not in the well

Well, there was a woman from Samaria, came to the
well to get some water
There she met a stranger who did a story tell
Then the woman dropped her pitcher
She's drinking was made richer
From the water He gave her and it was not in the well

Yes, He gave her water, Jesus gave her water
Jesus gave her water, I wanna let His praises swell
Jesus gave her water, He gave that woman water
Gave her living, loving, lasting water and it was not in
the well

Well, on that woman He had pity, she ran back to the
city
Crying glory Hallelujah and did His wonders tell
She left my Savior singing, she came back to Him
bringing
The times she'd had water Lord, and it was not in the
well

Yes, He gave her water, Jesus gave her water
Jesus gave her water, I wanna let His praises swell
Jesus gave that woman water, gave her that love and
lasting water
Water and it was not in the well

Well, Lord that woman left a shoutin' and there was no
room for doubtin'
That she had met a Savior who did all wonders tell
Every time she doubtin' she start to think about Him
The man that gave her that water Lord, and it was not
in the well

Yes, He gave her water, Jesus gave her water
Jesus gave her water, I wanna let His praises swell

Tell you He gave that woman water, gave her that love
and lasting water
Water, water, water, water loving water and it was not
in the well
