[Kandi Girl]

Ooh

You want this kitty don't you?

You know she wants you too

But you gotta do one thing first

I need you to kiss it

[Dirty Mouth]

See me, all I wanna do is get in your draws

Hit it from the back, while ya ass hit pause

Mr. Funkadelic off deep in ya jaws

I love the way you lick it up on the sidewalls

Open up wide, let me slide on in

Drinkin' on this gin make a nigga wanna sin

The orgy begins, now she lickin on the tip

Might as well be a tip drill, the way ya tongue flippin

You need to get a girl and stop bullshittin'

Spur tongue girl like a snow white kittin, listen!

Get up on the bed and give me head

While I sit back and watch you go fed

You got me on hard, wit my toes on curl

Fuck faces from the otha side of the world

Skeet skeet skeet in ya mouth it's like that

While your ass tooted up and I eat it from the back

[Hook]

Baby Eat It Up, Eat It Up, Eat It Up, Eat It Up

If I gotta give you what you like

First you gotta give me what I like

Then Beat It Up, Beat It Up, Beat It Up, Beat It Up

If you rub this cat just right

Then I'll give it to you good all night

BEAT IT UP!

[Don P]

Yeah!

Its goin down tonight, Crunk Juice got me feelin right!

I'ma do 68's, I owe ya one, no 69's

When she up top, ridin it fast, it's only right that I grab
that ass

Then pull her hair, when I turn her ova, and hit it from

the back
Ain't nuttin like getting wit a big chula to give dome
(yeah!)
And afta that, I ain't in that group, but you know I'm
gon' bone
EAT IT UP! Not yet, matter of fact I gotta lesbian for that
What chu know bout the bedroom crunk too
Girls knockin at my door bout three somethin'

[Hook]

[Lil' LA]
This how its goin down, I'ma hit all night
Ain't nothin' to talk about, plus if I head right
Sike! We ain't gotta talk about that
See it's four in the morning, let me hit it from the back
I'ma smack it, shack it, bulldog attack it
Have fun, what you do, just like practice
You gotta give it to me how I like it, I'm straight
You want me to do what? Look shortie I just ate
Wait! How many inches can you take?
Tastes like candy, doors closed, can ya stay
Say, how ya need it and I'ma beat it
When I'm pullin' on ya hair, got me really wanna skeet it
Getting heated, up here, cause that ass so hot, in here
Where ya goin? Quit runnin, come here
You love the things that I do? Same here (Ayeeeeee!)

[Hook]

[Bridge: (Kandi Girl & Cutty)]
I know you really wanna hit it first
But I need you to kiss it first
Baby it's mo' betta
When you get it mo' wetta
Don't try to run away
Take all of me (I won't run)
I just love the look in your eyes
When you swallow me
You need to lick lick lick
On my kitty kitty kitty
Get a close look
Don't my cat look pretty?
Tastes like candy and
It feels real sticky
Follow my rules if you wanna get wit me
Okay, now you're my freak
No missionary ways
I'll beat that pussy up and
Cum in your face

[Hook]
