Yeah, yeah yeah, yeah yeah yey
Why, why, why, why, why, why, why
Why, Why, heh
They've got so much things to say right now
They've got so much things to say
They've got so much things to say right now
They've got so much things to say
I'll never forget no way, how they crucified Jesus Christ
I'll never forget no way, how they sold Marcus Garvey
for rice
I'll never forget no way, how they turned their back on
Paul Bogle
So don't you forget no way...
Who you are, and where you stand in the struggle
They've got so much things to say right now
They've got so much things to say
They've got so very many things, to say right now
They've got so much things to say
I'n'I nah come to fight flesh and blood
But spiritual wickedness in high and low places
And don't you fight me down
I'll stand firm, and give Jah all the thanks and praises
I don't expect to be justified, by these laws of men
Though the we can find me guilty, Jah will proove my
innocency
Cuz when the rain falls, it don't, fall on one man's
house top
Remember that
See when this rain falls, it don't, fall on one man's
house top
They've got so much things to say right now
They've got so much, so much things to say
They've got, heh, so much things to say right now
They've got so, so much things to say
But let them keep talking, oh let them keep talking
Cuz non of them walking, oh non of them walking, no
And while they still talking, see I'ma be walking
I'ma be walking, so let them keep talking
Said I never forget no way, how they crucified Jesus
Christ
And I, I'll never forget, how they sold Marcus Garvey

for rice
Said I, never forget, how they turned their backs on
Paul Bogle
So non of you, non of you forget...
Who you are, and where you stand in the struggle
Cuz when this rain, cuz when this rain, rain, rain, rain,
rain falls
It don't fall on one man's house, I'm telling you the
rain...
I'm telling you the rain, rain, rain, rain, rain don't fall
It don't fall... they...
They've got, they've got, so many very things to say
about me
I'm telling you: lie
They, and they, and they will have so many things
They'll have so many things to say about you... to say
about you
Cuz they don't know me, know me
They don't know me, oh they don't know me, oh they
don't know me
Oh they don't know me well
They, they, they, they, they, they, they don't know my
Father
Cuz if they did, if they did... hey ey... theeey... heh..
