(sing songy Chorus intro)

It's the mystery of Inequity...  
Said it's the misery of Inequity...  
Said it's the history of Inequity...  
When it all...  
All falls down...  
Telling you all...  
It all falls down

Children...  
Eat your bread  
Little children...  
Eat your bread  
Cause it all...  
All falls down...  
Telling you all...  
It all falls down

(First and only verse)

Yo!  
Y'all can't handle the truth in a courtroom of lies  
Perjures the jurors, witness despised  
Crooked lawyers, false indictments publicized  
Its entertainment...the arraignments  
The subpoenas  
High profile gladiators in bloodthirsty arenas  
Enter the Dragon  
Black-robe crooked-balance  
Souls bought and sold and paroled for thirty talents  
Court reporter catch the surface on the paper  
File it in the system not acknowledged by the Maker  
Swearing by the bible blatantly blasphemous  
Publicly perpetrating that "In God We Trust"  
Cross-examined by a master manipulator  
The faster intimidator  
Receiving the judge's favor  
Deceiving sabers doing injury to they neighbors  
For status, gratis, apparatus and legal waivers  
See the bailiff  
Representing security  
Holding the word of God soliciting perjury

The prosecution  
Political prostitution  
The more money you pay.. the further away solution  
Legal actors  
Babylon's benefactors  
Masquerading as the agency for the clients  
Hypocritical giants  
Morally non-compliant  
Orally armed to do bodily harm  
Polluted, recruited and suited judicial charm  
And the defense isn't making any sense  
Faking the confidence of escaping the consequence  
That a defendant is depending on the system  
Totally void of judgment purposely made to twist em'  
Emotional victim blackmailed by the henchmen  
Framed by intentions  
Inventions whereby they lynch men  
Enter the false witness slandering the accused  
Planting the seed openly showing he's being used  
To discredit, edit, headed for the alleged  
Smearing the individual fearing the unsuspected  
Expert witness (the paid authority)  
Made a priority to deceive the majority  
Of disinterested peers  
Dodging duty for years  
Hating the process  
waiting to be returning to their careers  
Do we expect the system made for the elect  
To possibly judge correct?  
Properly serve and protect?  
Materially corrupt  
Spiritually amuck  
Oblivious to the cause  
Prosperously bankrupt  
Blind leading the blind  
Guilty never defined  
Filthy as swine  
A generation purin it's own mind  
Legal extortion  
Blown out of proportion  
In vein deceit  
The truth is obsolete  
Only two positions:  
Victimizer or Victim  
Both end up in destruction trusting this crooked system  
Mafia with diplomas keeping us in a coma trying to own  
a piece of the "American Corona"  
The Revolving Door  
Insanity every floor  
Skyscraping, paper chasing  
What are we working for?

Empty traditions  
Reaching social positions  
Teaching ambition to support the family superstition?  
When the Son of Perdition is Commander in Chief  
The standard is Thief  
Brethren can we candidly speak?  
Woe to the men  
Trusted in the chariots dem'  
Leaning on horses  
They run their intellectual sources  
Counterfeit wisdom creating the illusion of freedom  
Confusion consumes them  
Every word they speak it turns them out really white  
Internally they absent of light  
trapped in the night and bonded to the Cain of the  
night  
Under the curse  
Evil men waxing more worse  
Faxing the first  
Angelic being cast to the earth  
It's time for rebirth  
Burnin up the branch and the root  
The empty pursuits of every tree bearing the wrong  
fruit  
Turn and be healed  
Let him who stole, no longer steal  
Oh it's real  
Surrender for Jehovah is real  
How long will you sleep  
Troubled by the thoughts that YOU keep  
The idols YOU heap  
Causing the destruction you reap  
Judgment has come  
Find it and return to the One  
Abandon the flesh  
Self-interest: Broadway to death  
Pride and the Greed  
Hide and subdividing the seed  
The knowledge of Good and Evil is what caused us to  
lie  
Caused us to die  
Let your emotions be crucified  
Renounce all your thoughts  
Repent and let your mind be re-taught  
You'll find what you sought...was based on the  
deception you bought  
A perception of naught  
Where the majority remains caught  
  
Loving a lie  
Not realizing in Adam, all die

Loving a lie  
Not realizing in Adam, all die

Loving a lie  
Not realizing in Adam, all die

Loving a lie  
Not realizing in Adam, all die

(sing songy Chorus Outro)  
It's the mystery of Inequity  
Say it's the history of Inequity  
Say it's the misery of Inequity  
When it all...  
All falls down  
I'm telling you all...  
It all falls down
