Intro:

Party-peoplIIIIIIIIIIe!

Yeahhhhh, Tag Team music, in full effect!

That's me, DC The Brain Supreme, and my man Steve
Roll'n!

We're kickin the flow!

We're kickin' the flow! And it goes a little something
like this!

Verse 1: Steve Roll'n

Tag Team, back again

Check it to wreck it, let's begin

Party on, party people, let me hear some noise

DC's in the house, jump, jump, rejoice

Says there's a party over here, a party over there

Wave your hands in the air, shake your derierre

These three words mean you're gettin' busy:

Whoomp, there it is! Hit me!

Chorus(8x): DC

Whoomp, there it is!

Verse 2: Steve Roll'n

Upside down and inside out

I'm 'bout to show all you folks what it's all about

Now it's time for a *nigga* to get on the mic

And make this mother*fuckin'* party hype

I'm takin' it back to the old school

'Cause I'm an old fool who's so cool

If you wanna get down, I'ma show you the way

Whoomp, there it is! Lemme hear ya say ...

Chorus

Whoomp! Shaka-laka-shaka-laka-shaka-laka-shaka (4x)

Verse 3: Steve Roll'n

Point blank - gin and juice I drink

And then invent as I puff on dank

Rock the mic, uh oh, I crave skin
Rip *shit*, find a honey dip to dip it in
Slam dunk it, stick it, flip it and ride
That B-double-O-T-Y, oh my
Ooh, that's it, come on, come on
Whoomp, there it is! I'm done.

Chorus

Heyyyyyyyyyyyyyyyy babyyyyyyyyyyyyyyyy! (Whoomp!
There it is!) (2x)

Verse 4: Steve Roll'n

Some say I'm crazy cause I'm pushing up dasies
the underground sound that you *niggas* have found
Amazing, outstanding, demanding,
Comanding, you people dancing
(Whooooo!) *Shit!* That's a breath-taker
Our producer, a.k.a. the undertaker
You wanna come down to the underground old school?
Here's a shovel, can you dig it, fool?

4x:

Can you dig it? (We can dig it!)
Can y'all dig it? (We can dig it!)

Verse 5: Steve Roll'n

W-H-double O-M-P as I flow,
To the fly *shit* from the school of old
Hard core keep' the folklore wrecked
3 to the 2 and 1 mike check
Mad skill, flow ill, on the mess of steel
That's the thrill of the microphone I just killed
Party people, there's your party; Tag Team is through
Whoomp there it is, I thought you knew!

Chorus

Outro:

Yeahhhhh, Tag Team music, comin' strrrraight at 'cha!
That's me, DC The Brain Supreme, and my man Steve
Roll'n!
Bring it back y'all, bring it back y'all, bring it back,
heeeeere we go!

Chorus till fade
