Should I feel lost  
Or should I feel found  
What should it be up or down?  
Won't you please help me, yeah?

I'm searching high  
I'm searching low  
Where might it be a loss for words  
That'll set me free, yeah that'll set me free

Fadin', oh I'm fadin' away now  
Mama, it's been a year to the day  
I'm just fadin' away, yeah  
Mama, it's been a year to the day

You ask for this  
They sell you that  
A better place  
Is where I hope you're at

Now, who's gonna live and who's gonna die?  
Is it hello or goodbye?  
Tell me how  
Could you tell me why?

Fadin', oh I'm fadin' away, yeah  
Mama, it's been a year, oh to the day  
I'm just fadin', yeah I'm fadin away, yeah  
Mama, it's been a year to the day, that's right

Oh, when the daisies are growing over top of me  
Where is it that I go? Yeah  
Running out of time  
Lord, I need to know, oh I need to know

Fadin', fadin' away, yeah  
Mama, it's been a year today  
Fadin', fadin' away, oh yeah  
Mama, it's been a year today, oh yeah  
Mama, it's been a year today

Mama, it's been a year to the day
