Take a good look, I know what you see
Shrouded in black and all life's debris

Shot in the back, live through the day
Ain't no remorse, you do as they say

Oh, oh, oh, oh

Now that I've seen what's come and past
Forget all that's pure, it never lasts
Inside a mass murder machine

Victims for life, slaves to the end
Rooted and sick, how it's always been

Built to destroy, one can't deny
The hole that becomes the hand in the sky

Oh, oh, oh, oh

Now that I've seen what's come and past
Forget all that's pure, it never lasts
Inside a mass murder machine

Now that I've seen what's come and past
Forget all that's pure, it never lasts
Inside a mass murder machine

I wish I was blind, yeah
Yeah, I wish I was blind, oh no
I wish I was blind, yeah
Yeah, I wish I was blind, oh no

I wish I was blind, yeah
Yeah, I wish I was blind, oh no
I wish I was blind, yeah
Yeah, I wish I was blind, oh no, oh

Oh, oh, oh, oh

I've seen all that's come and all that's past
Forget all that's pure, it never lasts

Inside a mass murder machine

I've seen all that's come and all that's past
Forget all that's pure, it never lasts
Inside a mass murder machine

I've seen all that's come and all that's past
Forget all that's pure, it never lasts
Inside a mass murder machine

I've seen all that's come and all that's past
Forget all that's pure, it never lasts
Inside a mass murder machine
