Go on, now, go

Now as you take, take a little time, son, you can run  
But there ain't nowhere you gonna hide  
Now you done takin' all I done had  
Paybacks be a comin', so ya best start sayin' your  
prayers

Lord, shine on, so I can find my way on back to you,  
yeah  
Shine on, so I can shine, oh, yeah, oh, my lovin' light on  
you, yeah  
On you, yeah

Now listen, ain't never comin' back  
Shit, a better set of hands is where she's at, now I say  
Don't go thinkin' you ain't done nothin' wrong  
I'm the judge, I'm the jury, I'm gonna put your ass  
where you belong, yeah

Shine on, I can find my way on back to you, yeah  
Shine on, I can shine, oh, yeah, oh, my lovin' light on  
you  
Oh, yeah, oh I'm a

Shine on, I can find my way on back to you  
Shine on, I can shine, oh, baby, Lord, my Lord  
I can shine, yeah, all my light, shine, shine, shine  
Oh, my lovin' light on you, you mama, yeah
