Disillusioned, pure confusion
Where I'm rollin', never never knowin'
Walkin' minefields, all is surreal
Where I'm rollin', never never knowin'

Walked out of my mind
Don't wanna find, whatever's left

Poppin' pills and drinkin' booze
Smokin' everyday
Stoned and drunk completely gone
My world is here to stay

Ain't no silence, constant violence
Where I'm rollin', never never knowin'
Demolition, crucifixion
Where I'm rollin', never never knowin'

Walked out of my mind
Don't wanna find, whatever's left

Stoned and drunk completely gone
My world is here to stay
Hide my fears and kill my doubts
Whatever's in my way

Poppin' pills and drinkin' booze
Smokin' everyday
Stoned and drunk completely gone
My world is here to stay

Walked out of my mind
Don't wanna find, whatever's left

Stoned and drunk completely gone
My world is here to stay
Hide my fears and kill my doubts
Whatever's in my way

Poppin' pills and drinkin' booze
Smokin' everyday
Stoned and drunk completely gone

My world is here to stay
