There's something sick
Inside these walls
Your loss of mind
Has come and called

Your dissolution
View of why
You'll find no dignity
Upon the day you die

When you die, oh yeah
In the end
We find what's true
Suffering overdue

You claimed this oath
And then you swore
Beyond today
Beyond forever more

Withdrawn inside
These sickened walls
Silence is broken
You can break me no more, yeah

No more, oh yeah
In the end
We find what's true
Suffering overdue

Oh, yeah, alright
In the end
We find what's true
Suffering overdue

I tried to speak my mind
But it fell on deaf ears
These scars I held within
For so many years
So many years
So many years

So many years
So many years
So many years
So many years, yeah

Oh yeah, alright
In the end
We find what's true
Suffering overdue

Oh yeah, alright
In the end
We find what's true
Suffering overdue
