Limp Bizkit sucks dick!

I'm your suicidal doomsday machine,
Bestowing my grace on everything,
My I'll will shall never leave,
Embracing until you cannot breathe.

Yeah, yeah, oh fuck yeah,
Superterrorizer.
I said, hell yeah, oh fuck yeah,
Superterrorizer.

Drink me up!

Crashing, Burning, in you I confide,
I'll drink and spew your bloodstained pride,
You're just a pinball in my fuckin machine,
Until you reach the falls of my closing stream.

Yeah, yeah, yeah, oh hell yeah,
Superterrorizer,
Said yeah, yeah, oh fuck yeah,
Superterrorizer.

Yeah, yeah, yeah, yeah, oh hell yeah,
Superterrorizer,
Said yeah, yeah, oh fuck yeah,
Superterrorizer.
