Hey, hey, won't you get yourself out my way?  
Yeah, yeah, I'm living life like it's my last day  
It's got me comin', it's got me going  
Which way I just don't know  
Lord, oh Lord, I love you and I thank you so

It's my obsession, it's a truckload of aggression  
Come lookin' for a friend  
I ask a question  
You start messin' around with my head once again

I'm just toe'n the line  
I'm just toe'n the line  
Mama, don't you worry none  
We're just toe'n the line

Yeah, yeah, it's a rush running through my veins  
Yeah, yeah, I'm gonna drive the wife insane  
It's got me comin', it's got me going  
Which way I just don't know  
Lord, Lord, I love you and I thank you so

It's my obsession, it's a truckload of aggression  
Come lookin' for a friend  
I ask a question  
You start messin' around with my head once again,  
yeah

I'm just toe'n the line  
I'm just toe'n the line  
Mama, don't you worry none  
We're just toe'n the line

A fist for your head  
Yeah, a fist for my cure, baby, now  
I'm tired of feeling weak, Lord  
I'm tired of feeling small  
Ain't gonna feel like this anymore, yeah

I'm just toe'n the line  
I'm just toe'n the line, yeah  
Mama, don't you worry none

Lord, Lord, we've been doin' fine  
Lord well, mama  
Lord, we're just toe'n the line, yeah

Got me a fistful of creation  
Ain't nothin', Mama, I can't do, yeah  
Then build me your walls  
I'm gonna break on through

Won't ya tell me, won't ya tell me  
Who I am and who I can't be, yeah  
Well, the loser be you, Mama  
'Cause I know it ain't me, yeah  
Ain't me, I know it ain't me
