We were friends
Yet never all that close, yeah
Two different people, Lord
I guess, yeah, I suppose, yeah

Well, I could see by the lines
On your face, so much on your mind
Searchin' for someone, anyone
Somethin' to treat you kind, oh, yeah

I hope you found what you were look'n for
'Cause I haven't seen your face around here no more
When did life become a chore?
When was it that you couldn't take it anymore?

With nothin' above you an' nothin' below
Couldn't cure the need for somewhere else to go
I just hope that ya found
What it was, what it was you were look'n for

Sweep all your fears
Beneath the rug there on the floor
Shed a new skin
No longer insecure

You're livin' harder, yeah
Harder than you know, ohh
Tell me, how fast can you burn
And how far can you go, oh, yeah

I hope you found what you were look'n for
'Cause I haven't seen your face around here no more
When did life become a chore?
When was it that you couldn't take it anymore?

Nothin' above you an' nothin' below
Couldn't cure the need for somewhere else to go
I just hope that ya found
What it was, what it was you were look'n for

Hope you found what you were look'n for
'Cause I haven't seen your face around here no more

When did life become a chore?
When was it that you couldn't take it anymore?

With nothin' above you an' nothin' below
Couldn't cure the need for somewhere else to go
I just hope that ya found
Yeah, what it was, what it was you were look'n for

Yeah, oh, look'n for, yeah, yeah
Look'n for, yeah, yeah, yeah
Look'n, oh, yeah
