[Eazy-E]

Big titie shitty bang bang sittin' on a dick
tryin' to play a pimp by the fifteen clicks
hoes play with me weekly
so I'm down wit hoe play with my pee pee
Eazy muthaphukkin' access
saggy baggy ass pants for a happy ass bitch
ho ho ho to the ho and the cloe
ski to the E or a piss in the snow
I take a hoe from the show to the mo' to the flow
to the inches where mo' now the hoe is gotta go
pussy just as hairy as a panda, pink and peppy panther
panty expander, tricks lick long while I lap long hard
and fast
while I'm dippin' hunnies ass, throwin' harder with
Barbara
seein' sexy with Betsy, gettin' ready for Betty,
I hit the hooker heavy

[Chorus]

I hit the hooker heavy
Ready to.... (x4)

[Eazy-E]

Use a finger to when them real niggas comes to
spread'em
hittin' other peoples bitches so I'm comin' to ya weddin'
head and the bill in the dark I begin with my dick
so you can say I have a head start
comin' from the south of the border, cause I'm shorter
than ya thought I was wife, whore, daughter in the
order
fuck all that one man one bitch shit
one condom, one dick, switch
to another after gun with a rubber
you can lick me like a lover wipe your mouth on the
cover
I never dilly dally pimpin' Susan and Sally
now you can find the couchie from Miami to Cali
throwin' harder with Barbara
seein' sexy with Betsy, gettin' ready for Betty,

I hit the hooker heavy

[Chorus]

I hit the hooker heavy

Ready to.... (x4)

[Eazy-E]

Bitches comin' with it for doublemint

lookin' for ya homies

cause the hoes know me like they owe me

I got a strip I hit when I'm lonely

hit a bitch wit a whip and she run like Toby

so never count on me fool when in the true skool

wit truce sluts lookin' for a crew screw

I flip and I flow when they go kinda low

hoe better have my dough so suck silly

hookers could stay or ya don't touch nuts

really hook a good day

adios disapear like a smoke your rejected

by a dick thats erect bitch

sometimes I think I'm losin' it a lunatic

with a lot of automatic shit with clips

it ain't no thang to me it's the same ole slang

to me I roll with a long size gang with me

throwin' harder with Barbara

seein' sexy with Betsy, gettin' ready for Betty,

I hit the hooker heavy

[Chorus]

I hit the hooker heavy

Ready to.... (x8)
