[Female: We're sitting here with Eazy E]

Believe that

[Female: How are you doing ?]

Allright

[Female: So, Eazy, tell me, how was your life as a youngster ?]

Verse One: Eazy-E

Ruthless, my style as a juvenile

Ran with a gang, slanged in the meanwhile

Bankin, I specialized in gankin

whites, Mexicans, brothers and others

Daily, it's all about comin up

Makin sure no punks are runnin up

[Eazy E: Because I'm a gangster havin fun]

Strapped with a gat when I'm walkin through Compton

Terrible, I never listened to my mother

It went in one ear, and out the other

Ran my gang, sold undercover

Call a girl out a name, yo I ain't no lover

I'm a pimp, mack daddy, lookin for the dollar

At thirteen I bought a six-fo' Impala

Rollin, and runnin from the police

Brother don't you know you can't trust a thief

or thug, convict, hoodlum or criminal

Leave your car open, gank for your stereo

Hard and raw, no regard for the law

[Female: Eazy E, were you ever caught slipping?]

Hell no! Just trippin off 8-ball

And girls ain't nothin but female dogs to me

Bitches! I'm sorry for that verse

It's in my nature, I gotta curse

out anybody gettin on my nerves

You get beat, ganked, broke and served

So... you know who I am

and if you don't like it, I really don't give a damn

[Female: Hmm, I see, so you're rather violent?]

Sometimes

[Female: Ok, what would be the situation when you so-

called "gank" somebody?]

Verse Two: Eazy-E

Wait... for some people to leave
I got another trick up my sleeve
Step with pep to the back of the house
Look then... all the lights are out
Grabbed the door and it's locked, so
easily made my way to the window
Lift it up slow, cause it takes timing
Looked around, and then I climbed in
Once inside, I start takin
Cause you know it's no time for shakin
Get what you gonna get, front and center
or get five years for breakin and enter
Move quickly, but no runnin
Shht, I think somebody's comin
Hear the front door key, and I flee
out the back door with a fist full of jewelry
Over the wall... don't fall
Wipe my sweat cause that was a close call
Gettin ganked by the E is a lesson
So... is there any more questions?

[Female: Yes, as a matter of fact, there is...
Have you ever been involved in, like, a armed robbery
or a hold-up?]
You mean a 211?
[Female: Yeah]

Verse Three: Eazy-E

There's a store, but don't point
Walk inside, case the joint
One man behind the counter, another in the back
Go out to the car and load the gat
Grabbed the ski mask, here's the task
Go in broke, come out with cash
[Female: Were you slick?]
Yeah, you gotta be cunnin
Told Ice Cube to leave the car runnin
Walked in, said: "This is a robbery"
Didn't need the money, it's just a hobby
Fill the bag, homeboy, don't lag
I want money, beer, and a pack of zig-zags
The man in the back had a camera
so he came out to test his stamina
against Eazy E, but he took one
Fell to the floor, so I ran
back to the bucket, then I said: "Punch it"

Took the gun, and then dumped it
I'm not like Robin Hood, cause I want more
Steal from the rich, hang with the poor
My pockets are fat, you see, it don't matter to me
I feel like nobody is badder than me
[Female: Is all that true ?]
I don't lie
You see... I'm not mister nice guy

[Female: Oh, so you're not exactly a role model?]
Not exactly
[Female: And for your listeners, what does Eazy think
of himself?]

Outro: Eazy-E

Bad and bold, you can't get with this
Those that tried, you're on my hit list
Can't be caught, sought or fought
thought, and damn so what?
Down and dirty from the C-P-T
N-W-A and Eazy-E
One more, before we end this session
[Female: What's your real name?]
No more questions!
