How can we be wrong.....

How long can we both go on this way  
Why can't you give me tonight, please stay  
You tell me I am the one for you  
Then do things that make what you say come true  
Once there was a time  
I knew for sure you were mine, you were mine  
Times changing I know  
Love comes and it goes, it goes  
Where did we go wrong  
We used to be strong  
Two wrongs don't make a right  
No, not tonight

Chorus:

How can we be wrong to be holding on  
If we both let go we're gonna fall  
So how can we be wrong to be holding on  
Give your most to me, I'll give my all

How can we be wrong.....

If what you tell me you feel is real  
Then why can't you understand how I feel  
When will you show me you really care  
How will I know if you're never here  
Once there was a time  
I knew for sure you were mine, you were mine  
Times changing I know  
Love comes and it goes, it goes  
Where did we go wrong  
We used to be strong  
Two wrongs don't make a right  
No, not tonight

Chorus

How can we be wrong.....

How can we both be wrong just to be holding on

There used to be a time when holding on was right  
How can we both be wrong just to be holding on  
We're about to fall if we don't hold on tight

How can we be wrong.....

Once there was a time  
I knew for sure you were mine, you were mine  
Times changing I know  
Love comes and it goes, it goes  
Where did we go wrong  
We used to be strong  
Two wrongs don't make a right  
No, not tonight
