Why are you hesitating  
How long must I keep waiting  
I know you say you love me  
Why don't you show me  
You talk but you don't listen  
You don't know what you've been missing  
I just don't have time to play these games  
My love is never ending  
Too little time we're spending  
This broken heart is mending  
C'mon and love me  
C'mon and love me

Chorus:

I know you love me, love me (4x)  
Why do you treat me so bad

It's been six whole weeks  
And we don't even speak  
I don't know what to do  
I can't get over you  
I can't get over you  
The way you've been treating me  
Makes it so easy to see  
This is not how it should be  
I think you wanna be free  
I think you wanna be free  
Why do you treat me so bad  
Why do you treat me so bad

We've been together so long  
Why don't you tell me whats wrong  
I'm gonna try to hold on  
That's why I'm singing this song  
That's why I'm singing this song  
Why are you hesitating  
How long must I keep waiting  
I know you say you love me  
Why don't you show me  
Why don't you show me

## Chorus

You talk but you don't listen  
You don't know what you've been missing  
I just don't have time to play these games
