

## Sound Of Animals Fighting, The "Horses In The Sky"

Visit "[Horses In The Sky](#)" on MotoLyrics.com

After all, they've made them robed  
Repeating all, to live in her wall.

Something to show me a change  
You're wearing a mask from the night before  
She's going places she should have never been  
She should have never been.

After all, they've made them robed  
Repeating all, to live in her wall.

Something to show me a change  
You're wearing a mask from the night before  
She's going places she should have never been  
She should have never been.

Something to show me a change  
You're wearing a mask from the night before  
She's going places she should have never been  
She should have never been.

Something to show me a change  
You're wearing a mask from the night before  
She's going places she should have never been  
She should have never been.
