[In Farsi:]

"Look! Look! Look up in the sky!

I've seen my destiny!

My horse must lose, hahaha!"

Our house is a house that moves just like the Ocean
Just like the Ocean

My angel, Empathy
Drawn me beneath her wings, want slender fingers
Of our home's to feather leaf
Mother is a mouth upon
My neck, a pink bird
Swoon in the belly
And I don't wanna sing, I don't wanna say no
I don't wanna sing, I don't wanna say no
Luck today, my brother, gorgeous he will lay in gems
I don't wanna say no
Luck today, my brother, gorgeous he will lay in gems

These words are simply small black statuaries
Between you and me, I don't wanna sing
I don't wanna say no
I don't wanna sing, I don't wanna say no
Luck today, my brother, gorgeous he will lay in gems
I don't wanna say no
Luck today, my brother, gorgeous he will lay in gems

Okay

[In Farsi:]

"I will answer your voice, directly.

It's the sound of my breath."
