It's just a little less,  
(Ahem, sorry, ahem, sorry, let me do that again--)  
It's just a lot like,  
You're pushing too hard.  
It's just a little less,  
You'd compensate enough,  
For your lack of, your lack,  
Your stamina plays tricks on us.  
It's no measure of admiration.  
Maybe I'm just not ready.  
Everything in me feels,  
Maybe I'm just not ready.  
We're here to wish you.  
(Sorry, go back--)
