Close my eyes tonight
My conscience by my side
It's hard to live this life where truth begins with lies

So I won't sleep
I will stay awake 'cause if I dream then they'll take their
claim
Oh I try
Oh I try to fight to stay awake tonight
Palestine
Palestine
Palestine
Always on my mind

Mmm
Mmm
Mmm

Truth is where desire ends
A meaning to an end
I search myself all the time to change what's in my
mind

So I won't sleep
I will stay awake 'cause if I dream then they'll take their
claim
Oh I try
Oh I try to fight to stay awake tonight
Palestine
Palestine
Palestine
Always on my mind

I can't find peace 'cause it's hard to release what we've
done
What we could be if we'd only see what we've become
It's unbelievable
It's undeniable
Oh
Oh
Oh

Oh
I want free
Won't sleep
Won't dream
Won't eat
Won't breathe
Won't give in to what's building inside of me

Oh
Oh
Oh
Oh

Close my eyes tonight
My conscience by my side
