I can't hide the way I feel  
About you...  
Anymore  
I can't hold the hurt inside  
Keep the pain out of my eyes  
Anymore  
My tears no longer waiting  
My resistance ain't that strong  
My mind keeps recreating  
A life with you alone  
And I'm tired of pretending  
That I don't love you anymore  
Let me make one last appeal  
To show you how I feel  
About you...  
'Cause there's no one else I swear  
Holds a candle anywhere next to you  
My heart can't take the beating  
Not having you to hold  
A small voice keeps repeating  
Deep inside my soul  
It says "I can't keep pretending...  
I don't love you anymore."  
I've got to take the chance  
Or let it pass by  
If I expect to get on with my life  
My tears no longer waiting  
Oh, my resistance ain't that strong  
My mind keeps recreating  
A life with you alone  
And I'm tired of pretending  
I don't love you anymore  
Anymore...  
Anymore...
