So many feelings
pent up in here
Left alone IÂ´m with
the one I most fear
IÂ´m sick and IÂ´m tired
of reasoning
Just want to break out
Shake off this skin

I canÂ´t escape myself

All my problems
loom larger than life
I canÂ´t swallow
another slice
Seems like my shadow
marks every stride
And I learn to live with
whatÂ´s trapped inside

I canÂ´t escape myself

So many feelings
pent up in here
Left alone IÂ´m with
the one I most fear
IÂ´m sick and IÂ´m tired
of reasoning
Just want to break out
Shake off this skin

I canÂ´t escape myself
I canÂ´t escape myself
I canÂ´t escape myself
