Words and Music by Jackie GouchÃ©-Ferris and
Andrew GouchÃ©

If it wasn't for the times that I was down
If it wasn't for the times that I was bound
For all the times that I wondered
How I would ever make it through
All the times that I couldn't see my way
And I had to turn to You

Chorus:

How would I know You could deliver
How would I know You could set free
If there had never been a battle
How would I know the victory
How would I know You could be faithful
To meet all of my needs
Lord I appreciate the hard times
Otherwise how would I know
I remember all the times I had to cry
And at the time all I could do was wonder why
Why would a God so kind and loving
Allow me to go through all this pain
If I could see into the future
Then I would know the joy I'd gain

Repeat chorus

How would I know that you could make a way out of no
way

How would I know if I never had a need
Brother I know what you're goin' through
Sister I know cause I've been in your shoes
But I can truly say that I know what God can do

Repeat chorus
