Look around the world today

There is anger there is hate

Losing hope we're broken and in need

And I Know that it grieves his heart

When his people stand apart

Cause we're the only Jesus they will see

Chorus

Love one another

And live as one in his name

Love one another

We can tear down walls by his grace

Love is patient, love is kind

Love is faithful, all of the time

It is never proud and never rude

Doesn't envy, doesn't boast

Doesn't seek its own you know

It rejoices humbly in the truth

chorus

If we all forgive each other

Jesus said

Love, love one another

As I've loved you

We are one in the spirit

We are one in the Lord

They'll know we are Christians

By our love

chorus
